Australia

TO PRODUCE BETTER, FASTER & SMOOTHER

## INTRODUCTION:

UBT IT & T is dedicated to providing excellent customer service and maintaining a healthy customer relationship at all levels from directors down. We have a Complaints Policy to ensure all complaints are handled as efficiently and effectively as possible.

As a customer of ours, you are entitled to make a complaint to us. The following outlines our policy and procedures for the handling of verbal and written complaints.

## SUMMARY:

We want to resolve your complaints as soon as possible. Please contact our customer service team and we'll do our best to fix any problems you may be having with our service, as soon as possible.

## OUR RESPONSIBILITIES:

- To provide an efficient, fair and structured mechanism for handling complaints.
- To provide our customers with access to the complaints handling process, including those customers with disabilities and special needs.
- To keep customers informed as to the progress of their complaint and the expected timeframe for resolution.
- Quarterly to review our complaints so that we can improve our standard of customer service.

## HANDLING YOUR COMPLAINT:

- Upon receiving a complaint, we will acknowledge your matter via telephone or in writing within 2 business days.
- If your complaint is urgent, such as where you have been accepted by us as undergoing financial hardship under our financial hardship policy, where your service is about to be disconnected, or where you are receiving Priority Assistance (for example, for medical reasons) we will prioritise your complaint and attempt to resolve it within 2 working days. If we cannot, we will explain why and the reasons for taking longer.
- We will keep you informed of the progress of your complaint, proposed actions and the expected timeframe for resolution.
- Our aim is to resolve complaints in a timely manner and we will generally resolve a matter within 30 calendar days.
- Complex complaints may take longer than 30 calendar days to resolve. In these cases, we will regularly update you on the progress and likely timeframe for resolution.
- We will advise you of the outcome of your complaint. Where you have requested us to do so, we will advise you in writing.
- We may impose a charge for handling your complaint in special circumstances. For example, we may charge you a fee where your complaint requires us to retrieve archived records that are more than 24 months old.
- Making a complaint should normally be free. If we think your complaint requires a charge, we will not impose one without discussion with you. If your complaint is upheld in your favour, and we have charged you complaint handling fees, we will refund you the full amount of the fees charged within 30 days.
